

A watercolor illustration of a garden scene. In the foreground, a domed pavilion with a patterned roof and white columns stands on a stone platform. Two foxes are present: one is standing on the platform looking towards the left, and the other is leaning over the edge of the platform looking down at a pond. The pond is filled with lily pads and several colorful koi fish. In the background, a waterfall cascades down a rocky cliff into the pond. The overall style is soft and painterly with a cool color palette of blues, greens, and purples.
